MIAMI SHORES PRESBYTERIAN CHURCH
Miami Shores, Florida 33138

The Reverend Dr. J. Calvin Rose, minister

The chancel area as viewed from the nave. The great chancel cross is suspended over the communion table by six fine chains and casts a twin reflection on the chancel walls behind. The faceted glass windows above transform sunlight into a shimmering cascade of color.

We have been thinking
about you and wondering
how you have coped with
the tough winter up
there. But now it is
warmer and you can
save some fuel. Weather
here had a chilly spell in
Jan. Now it is perfect
again. Keep well.
